BSC offers an enriching excursion program that allows students to explore some of the most culturally vibrant destinations relevant to their course. Before each excursion, students will receive explicit instructions and guidance on ensuring their safety during the excursion of that day.

# English Plus Explore Malta

Perfect for students excited about travel who want to discover this beautiful mediterranean island.

Discovering Malta is an exciting way for students to learn about a new culture whilst developing their English language skills. On the English Plus Explore Malta course, Young Learners will have English lessons as well as daily excursions to famous sights and locations. They will meet students from all around the world, practising their English in real-life situations to improve their skills quickly, accurately and with confidence.

## Course Aims

On completion of this course, students will:

- Have developed their language skills through practical activities and discussions.
- Have developed their creativity and problem- solving skills.
- Have a deeper understanding of the Maltese culture.
- Have experience working on projects in small groups.
- Have learnt about famous landmarks and sights in Malta.
- Be more confident in speaking English.
- Have met and learned from English native-level speakers.
- Have their English level assessed by the BSC level test.
- Be a more independent learner and global citizen.
- Have had a transformational learning experience and developed skills for life.

## Course Outcomes

- Develop English language skills
- Discover famous city sights
- Become a global citizen

## Small Class Sizes

These courses focus on small classes to ensure that students are given specialist attention and support.

## Experienced Teachers

All of our teachers are CELTA qualified and all of our tennis coaches are experienced to train beginners and experienced tennis players.

## Nationality Mix

In 2022 we welcomed students from over 75 countries. When Young Learners choose BSC they make friends from all over the world.
